

Bar cabinet, anonymous,
Sweden. 1960s.

H: 147 cm / 4' 10"
W: 100 cm / 3' 9 1/2"
D: 40 cm / 1' 3 3/4"

Rosewood and mirror glass.

This elegant anonymous bar cabinet is an exquisite example of Scandinavian cabinetmaking. The pattern created by the book matched rosewood veneer on the cabinet's top, front, and sides is exceptional.

Two doors open up to the cabinet's mirrored interior—a design highlight that emphasizes the bar items kept inside. It has several drawers with tasteful brass handles for ample storage and two cleverly integrated surfaces that pull out when needed. A discrete key locks away the interior.
