

Dining table designed by Morten Höeg Larsen, Denmark, 2015.

design by Höeg Larsen is one-off and unique. This large table was commissioned by Modernity.

Ebonized wood with walnut and stained wood inlays.

H: 72 cm/ 28 1/2"

Unique.

L: 200 cm/ 6' 6 3/4"

W: 100 cm/ 39 1/2"

Laser-cut marquetry is the technique that allows for the abstract patterns of this table's remarkable surface. With elegant, slightly curved feet on very straight legs, the table's base was inspired by Chinese "Ming" tables; the simplicity of the lower part ensures that nothing distracts from the elaborate surface design.

Morten Höeg Larsen is one of only few contemporary Danish designers working with marquetry. He uses advanced techniques and modern interpretations. Every
