

Floor lamp model 376 designed by TH. Valentiner for
Poul Dinesen
Denmark, 1960s

Branch H: 67.5 cm / 26 1/2"
Base diameter: 32 cm / 12 1/2"

Stamped.

Crafted from brass, but on occasion found in
nickle-plated variants, this fully adjustable floor lamp is
a perfectly balanced and understated design. The
lacquered metal shades can be most commonly found in
a deep green colour or with a more delicate white fabric
cover. The Danish artist TH. Valentine is an elusive
designer, the only trace to be found of them being the
stamped initials to the base of each lamp produced by
Poul Dinesen.

H: 145 cm / 57"
