

Floor lamp model 376 designed by TH. Valentiner for Poul Dinesen
Denmark, 1960s

Branch H: 67.5 cm / 26 1/2"
Base diameter: 32 cm / 12 1/2"

Stamped.

Crafted from brass, but on occasion found in nickle-plated variants, this fully adjustable floor lamp is a perfectly balanced and understated design. The lacquered metal shades can be most commonly found in a deep green colour or with a more delicate white fabric cover. The Danish artist TH. Valentine is an elusive designer, the only trace to be found of them being the stamped initials to the base of each lamp produced by Poul Dinesen.

H: 145 cm / 57"
