D: 22 cm / 8 1/3"

Brass, slatted wood shade, leather.

Stamped 9621.

From a private Finnish collection.

Paavo Tynell (1890 - 1973) is one of the most important
20th-century lighting designers. He was a trained sheet
metal worker - a unique background that influenced his
recognisable aesthetic. The company Taito Oy was
founded by Tynell himself because other manufacturers
considered his creations too complex for production.
