

Floor lamp model G-075 designed by Eje Ahlgren for
Bergboms
Sweden, 1960s

D: 21 cm / 8 1/4"

Brass.

Stamped.

This floor lamp with fully adjustable shade was manufactured in brass by Bergboms and designed by Eje Ahlgren. The protruding brass rod at the top of the shade is intended to be used as a simple but effective way of moving the shade position without marking the curved brass surface. A pull cord is utilised with both the floor and table mounted variations of this model.

H: 137 cm / 4' 6"
