

Floor lamp model G-075 designed by Eje Ahlgren for Bergboms, Sweden. 1960s.

W: 23 cm / 9"
D: 28 cm / 11"

Brass.

Stamped.

This floor lamp, made with a fully adjustable shade, was manufactured in brass by Bergboms and designed by Eje Ahlgren. The protruding brass rod at the top of the shade is intended to be used as a simple but effective way of moving the shade position without marking the curved brass surface. A pull cord is utilised with both the floor and table mounted variations of this model.

H: 125 cm / 4' 1 1/2"
