

Rug 'Krabban' designed by Barbro Nilsson for MMF AB Sweden, 1947

Signed.

Arguably Sweden's top textile artist, Nilsson was hired to manage the renowned Märte Måås-Fjetterström weaving studio in Båstad in 1942, where she would remain for the next 30 years. She was greatly inspired by nature, finding success and worldwide recognition for a great deal of her designs. Many of these are displayed in the National Museum of Sweden.
