

Rug "Seaweed" designed by Barbro Nilsson for Märta Måås-Fjetterström MMF, Sweden. 1950's.

Pure wool in tapestry technique.

Arguably Sweden's top textile artist, Nilsson was hired to manage the renowned Märta Måås-Fjetterström weaving studio in Båstad in 1942, where she would remain for the next 30 years. She was greatly inspired by nature, finding success and worldwide recognition for a great deal of her designs. Many of these are displayed in the National Museum of Sweden.
