

Sculpture designed by Hans Hedberg,
Sweden, 1980s / 1990s.

H: 30 cm / 11 3/4"
Diameter: 13 cm / 5"

Stoneware.

Including cast iron.

Signed.

Hans Hedberg was a Swedish Ceramicist who lived and worked in Biot, France. Hedberg worked with several famous artists, among Picasso, Léger and Matisse.

This beautiful egg is one of the larger sculptures made standing at 30cm, in a lovely speckled green tone with a cast iron stand. The base of the egg is also signed.
