

Sewing box designed by Magnus L. Stephensen for Axel Söllner
Denmark, 1935

W: 50 cm / 19 5/8"
D: 30 cm / 11 6/8"

Stamped.

Magnus Læssøe Stephensen was a renowned mid-century Danish architect whose revolutionary approach to design did away with the extravagant flourishes of the time. Inspired by the simplicity of Bauhaus and Japanese arts and crafts, Stephensen's designs focused on clean lines and practicality. His furniture designs were highly functional with a strong respect for craftsmanship - an aesthetic that has since become synonymous with Scandinavian design.

H: 58.5 cm / 23 1/8"
